

Textbook List School Year

2024-2025

“The more you read, the more things you will know. The more things you learn, the more places you will travel to”

As every year, it is time to acquire the school books for the next school year at LEALA.

We send you attached the book list including title, author, and ISBN number. In addition, we've also included the available websites to purchase them online.

Considering the shipping time from Argentina, it is important to order the books during the months of March, April, or May, in order to have the books at the beginning of the next school year, in September 2024.

Please call LEALA office for any questions.

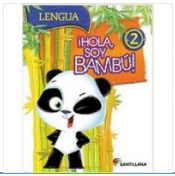

Thank you.

Isabel Zavaglia,
Principal
