

“Welcome Back”

Dear Families and LEALA Students:

We “Welcome” new students and their families to the 2022-2023 school year.

With great joy we welcome back the entire LEALA community.

Together we will continue completing new projects in the quest to properly learn the Spanish language.

This year will be a very special year. We will be celebrating our school’s **40th anniversary** of teaching the Spanish language. A year of memories of so many generations of students who graduated from our school throughout the decades.

We are pleased to continue teaching in our school and observing all mandated protocols.

September 10, 2022 9:15am:

We continue to work together with our educational commitment, using all possible tools for the development of vocabulary, critical and analytical thinking in the Spanish language.

In addition, we will have a **Traveling Library** that will accompany us this school year to help stimulate the reading comprehension of our students of all grade levels.

Thank you very much in advance for your cooperation.

WE LOOK FORWARD TO SEEING YOU ALL SOON!!
