“A new opportunity to start enjoying the Spanish language”

With a history of over 40 years educating in the Spanish language, we invite you to join us and experience the educational program our school has to offer.

September 2, 2023 10:30 am – 1:00 pm:

- ✓ New Student Registration
(See attached for registration and tuition fees)
- ✓ Each student will have a personal evaluation with one of our teachers to assess their Spanish level and choose the best grade level for them.

September 9, 2023 9:15 am:

- ✓ First Day of School.
- ✓ Regular Schedule: 9:15 - 2:15pm.

We continue to work together with our educational commitment, using all possible tools for the development of vocabulary, critical and analytical thinking in the Spanish language.

With great joy we welcome you to the entire LEALA community.
