

BACK TO SCHOOL

back to
school

Dear Families:

With great enthusiasm, La Escuela Argentina de Los Angeles (LEALA) welcomes you back to the 2025-2026 school year.

The schedule is as follows:

- * September 6th, registration for new students from 10:30 a.m. to 1:00 p.m.
- * September 13th, first day of school.
Regular schedule from 9:15 a.m. to 2:15 p.m.

We look forward to seeing you again and welcoming those who are joining our educational community for the first time.

We invite you to bring family and friends who wish to join this beautiful project of preserving the Spanish language. Our school is open to all students interested in learning and experiencing our Latin American culture.

We also remind you, that we offer virtual classes for high school students. This provides a unique opportunity to continue the studies remotely with the same educational commitment and quality.

Thank you for joining us once again. With your support, this school year will be filled with great achievements and success for our children.

Best regards,

Isabel Zavaglia,
Principal

September 2025
